Now from Auburn
Mfg. Co. !

The standard
O-Ring kit

At a very
non-standard price !

This month's kit special is the ever popular 30 size, 382 O-Ring Kit. What's so special about this special? *The price!* For a limited time only, Auburn is offering this kit for the incredibly low price of only *\$19.95 each!* Each kit contains sizes -006 thru -012. -110 thru -116, -210 thru -222 and -325 thru 327, in 70 durometer nitrile. All this packed in a sturdy styrene box with a generic contents identification label on the front cover (box is yellow). In addition, each kit also comes in an individual plain carton for added protection.

To Take advantage of this special offer, please place your order now. This special price is only good while quantities last. The kit will be shipped immediately (same day) upon placement of order. FOB - Middletown CT. Thank you.
