

RAW MATERIALS

Over 250 Compounds in Stock

CALL NOW FOR PROMPT NO-OBLIGATION QUOTATIONS.

FOR YOUR CONVENIENCE AND QUICK DELIVERY.

Adhesive Backed Gaskets
Alulflex®
Aluminum
Aluminum Foil
Armstrong Gasket Materials
Auburn Shim Stock
Asbestos Substitutes

Bakelite
Blue-Gard®
Brass
Bucote
Buna-N Rubber
Buna-S Rubber
Buna-N on Nylon

CHR Mat'l. (Chorlastic®)
Canvas Based Phenolics
Celcon®
Cellulose Fiber Board
Ceramic Fiber Paper
Chipboard
Closed Cell Sponge
Cloth
Cloth Inserted Rubber
Coated Fabrics
Compressed Accopac®
Copper
Cork
Cork-Rubber Compositions
Cork-Synthetic Compositions
Crepe Papers

Delrin®
Dielectric Insulation
Duck Rubber
Dupont Films
Durlon®
Duroids®

ECH (Epichlorohydrin)
EPDM Rubber
EPDM Sponge
EPT Elastomers
Electrically Conductive Mat'l.
EVA (Ethylene Vinyl Acetate)

Fairprene Materials
Felt (F Series & Fed. Spec.)
Fiber (Vulcanized)
Fiberboard
Fiberglass
Fiberglass, Neoprene-Coated
Fiberglass, Silicone-Coated
Fiberglass, Teflon-Coated
Fibre-Cork
Filter Felt
Filter Foams
Fishpaper (Armitex)
Flame Resistant Mat'l.
Flexible vinyl
Flourosilicone
Foams
Formex®

Garlock Materials
Gasoline Resistant Materials
Glass Grade Phenolics
Graphite-Coated Materials
Graphite Sheet
Graphite/Metal Laminants
Grafoil®
Gum Rubber

High Temp. Non-Asbestos
Heat Resistant Mat'l.
Hycar
Hypalon

Impervapac®
Impregnated Felt (Oil, Alcohol)
Insulating Papers & Sheets

Kapton®
Klinger Materials
Kraft Paper
Koroseal

Leather
Lead
Lexide Gasket Materials
Lexan®
Linen-Based Phenolics
Low Density Polyethylene
Lydall Materials

Manila Paper
Mica
Mil-R-900 Rubber
MIL-R-3065 Rubber
MIL-R-6855 CL. 2A & 2B
Mold Resistant Rubber
Mold Resistant Sponge
Mylar®

NVF Materials
Natural Rubber
Neoprene Coated Fabrics
Neoprene-Cork Sheet
Neoprene Rubber
Nicote
Nitrile (Buna-N) Rubber
Nomex®
Non-Asbestos Mat'l.
Nylatron & Nylon

O-Rings
O-Ring Cord
O-Ring Kits
Oil-Resistant Materials
Onion Skin
Open Cell Sponge

P.V.C
Paper-Based Phenolics
Phenolics
Plastics
Plastiflex® (Shim Stock)
Polyimide Film
Polyester
Polyethylene
Polyfoams (Ether & Ester)
Polypropylene
Polystyrene
Polyurethane
Poron®

RFI Shielding
Rag Paper
Red Rubber (SBR)
Rigid Vinyl

SEIR Rubber
Silicone, Foam

Silicone, Reinforced
Silicone, Solid
Silicone, Sponge
Sponge Rubber
Sound Dampening Foams
Statex®
Stainless Steel
Steel
Syntheseal®

Teflon®, Virgin Grade
Teflon®, Etched
Teflon-Coated Fiberglass
Thermo-Tork®
Thio-Flex
Thiokol-Coated Fabrics
Treated Leather (Wax)
Tufgraph®

UL Listed Materials
Urethane
Urethane Sponge
Urethane, Polyfoam
Urethane, Liquid Cast
Urethane, Millable Gum
Urethane Rods
U-Cups

Varnished Glass Fabrics
Vibration Dampening
Victor Materials
Victopac®
Velbestos
Velbuna
Velcar
Vellumoid
Vellutherm
Vinyl (Rigid & Flexible)
Vinyl Foams
Viton® Rubber
Viton® Sponge
Volara

Water-Resistant Materials
Water-Proof Sponge
Weather-Stripping
Wax-Impregnated Leather
White Rubber, FDA Grade

And other materials. Some of the above can also be furnished with a pressure sensitive adhesive. All of these unique constructions are available in a broad range of thicknesses, durometers, colors and densities.

Auburn is a stocking or authorized distributor for all of the following materials from which we diecut, fabricate, machine, mold and lathe cut our finished products. Finished products include precision gaskets, insulators, spacers, shims and seals with close tolerances and clean cut edges to help assure unexcelled reliability in every application. We work with steel-rule dies, bending and scoring dies, gang dies, rotary kiss-cutting dies, compound & progressive dies, pierce and blank dies, open ended and four sided rectangular dies, DID & ID punches, washer dies, keyway dies, and more. House dies are stocked for many standard shapes. Custom tools are made to your exact specifications.
